**Declaration by the Principal Investigator**

I understand that the candidate has been given the opportunity to undertake one semester industrial training in lieu of one semester coursework that the candidate has to complete otherwise.

In this regard, as per my knowledge and experience in this field, as per the project details given above at S. No. 1-13, the work assigned to the candidate can be considered in its worth, equivalent to one semester of coursework in terms of time and efforts that the candidate will put under this project. The candidate will maintain a strict ..... (Online/offline) attendance record of minimum 75% attendance and will go through regular fortnightly evaluations and a signed progress report will be submitted by the candidate to the concerned department, UIET, Panjab University, Chandigarh within the due course of time.
